# Creativity Rocks - Africa!

**Five years of empowerment, five years of excitement and five years of educating and inspiring the next generation of makers!**

On Friday, May 1, 2020 the Creativity Shell will be hosting our 5<sup>th</sup> annual Gala/Student Fashion Show (the theme this year is Africa) at the Humble Civic Center located at 8233 Will Clayton Pkwy, Humble, TX 77338 from 6PM – 9PM.

The Creativity Shell is a nonprofit organization on a mission to use creative trades to educate and inspire the next generation of makers. The organization teaches sewing/textile arts and other trades classes to students in our private studios, libraries, schools and shelters that rescue children from homelessness, trauma and human trafficking. Classes and events hosted by the Creativity Shell such as Creativity Rocks are designed to educate and inspire children by teaching them essential life and practical skills.

If you have not been to Creativity Rocks, this show is absolutely the most inspirational event of the year! Students modelling in Creativity Rocks design and sew their own outfits based on the theme of the year. Hair and Make-up services are provided by cosmetology students at Lone Star College and every other aspect of being in Creativity Rocks for the student designers/models is to build confidence and self-esteem.

Funds raised from Creativity Rocks will be used to launch the new Creativity Shell Costume Design Center. Funds will also be used to continue teaching sewing/textile classes in low income schools as well as shelters that rescue students from homelessness and human trafficking.

In order to make Creativity Rocks – Africa a success, the Creativity Shell needs your support and sponsorship. Sponsors will be highlighted with “thank you” rewards including (but not limited to) your company logo on the red-carpet banner & tickets, inclusion in the program booklet for Creativity Rocks, the Creativity Shell website, our social media pages, complimentary tickets to the show and the happy faces of the children who continue to thrive in our programs.

Your tax-deductible sponsorship will also help the Creativity Shell continue to use creative trades to educate and inspire the next generation of makers for another five years!

Sincerely,

*Shelancia Daniel*
